Company: Jobly.fi

Location: Denmark

Category: other-general

**About Agreeena** Agreeena is an exciting, dynamic and purpose-oriented organisation united in a mission to drive impact for farmers and the climate. While we're rooted in agriculture, finance and technology, our team of experts range from soil carbon scientists and software developers to market strategists and regulatory affairs experts. More than 30 nationalities are gathered under the common Agreeena flag – either working from our headquarters in Copenhagen or remotely across Europe.

Our company offers a supportive and positive work environment with opportunities for learning, leading and growth no matter where you are in your professional journey. We believe in giving our employees a lot of responsibility, and we encourage new thinking, innovation and fun.

### **Agricultural Field Surveyor Agricultural data collection from August 2023 to June 2024 across Denmark**

Agreeena is seeking part-time seasonal agricultural data collection contractors across Denmark to help with in-field data collection as part of ongoing sustainability projects tracking regenerative agricultural practices in agrifood supply chains.

**Responsibilities:** Travelling to local designated areas of interest and collecting information including which crop is being grown and the level of tillage intensity Following a simple protocol to document the required type data per field Logging the information for each field on a mobile device using an easy to use app. The field surveys are conducted from the roadside. Uploading data daily.

**Requirements:** Travel may be required to farms in your assigned region, which will be

determined based on your geographic location  
An iPhone/Android phone or tablet to run our data collection app  
A valid driver's licence  
Your own car to travel to the assigned location  
Experience working in agriculture to a level where you can reliably and confidently identify major crops and the type and intensity of tillage performed.

**Timeline** This work will take place from August 2023 to June 2024  
The work is flexible to your schedule as you choose the number of hours and when you work but a minimum of 8 hours (1 day) per week is required.

**Compensation** Employment is contract based and all surveyors are self-employed, meaning all tax responsibilities are that of the contractors  
Payment will be made per data point collected  
The average payment for a full day of data collection (8 hours collecting) is 2000 - 2500 DKK plus the expenses listed below  
Lunch is covered at a rate of 80 DKK per full 8 hour day  
Mileage is covered at a set rate of DKK per Km

**If you would like to be part of this exciting project with the ultimate goal of rewarding farmers for regenerative and sustainable agricultural practices then please apply through the link.**

Not quite what you're looking for? We encourage you to follow our page to keep updated on content, articles as well as new opportunities opening. You can also stay in the loop for the departments you're interested in exploring further at Agreeena.

Be your best-self everyday at Agreeena  
At Agreeena we are devoted to building an environment that promotes equality, inclusion, and diversity. We are on the path towards expansion and growth so with that, we believe everyone's uniqueness should be celebrated and embraced to help us achieve this exciting journey. This is critical to our success and innovation. We want to build a product that is loved by our customers and we want the same to be reflected in our teams.

With this in mind, we are working to ensure Agreeena remains a diverse and inclusive environment for everyone.
