

Food Safety & Brand Standard Auditor Aarhus/Aalborg

Apply Now

Company: Ecolab

Location: Denmark

Category: life-physical-and-social-science

JOB DESCRIPTION

EcoSure- a division of Ecolab and an industry leader in food safety and brand protection, is rapidly expanding globally, which is why we are looking for part-time **Contractor/**

Freelance Food Safety & Brand Standard Auditors, based in **Aarhus/Aalborg**.

Our specialists are unique safety experts on whom our clients in the food service and hospitality industry rely. We are looking for professionals to provide customized, comprehensive on-site evaluations and training to help our clients maintain the highest standards in food safety, cleanliness, guest experience and brand protection. These programs help our clients meet their expected quality standards through on-site evaluations and customized training programs.

What you will do:

Conduct food safety, brand standards and workplace health and safety evaluations at client locations

Consult, coach and train clients on the latest food safety, health, and hygiene practices

Work with account management teams to resolve client challenges

Perform a budgeted number of audits weekly that ensures high customer satisfaction

Access and leverage industry leading food safety practices and ongoing, active monitoring of health inspection information

Provide accurate reporting and ensure effective customer communication and relationships

Skills and Knowledge:

Completed bachelor's degree in food science related subject

Food safety certifications preferred, such as HACCP, ISO22000, BRC or NEHA (RS, REHS or CP-FS) credentials

Retail food safety experience and reviews of brand standards

Teaching or coaching experience in a food related field

Strong relationship management and advanced consulting skills

Strong planning and organizational skills and strong attention to detail

Able to work effectively without supervision, demonstrate initiative, common sense and superior decision-making and problem-solving skills

Ability to work well under pressure, juggle tasks and work efficiently against deadlines

Minimum Qualifications:

Level 4 Food Safety qualification

Completed bachelor's degree and 2 years of experience in food service or hospitality; or demonstrated experience in the food/hygiene industry

Willingness to work occasional evenings and weekends depending on business needs

A valid driver's license

No immigration sponsorship available

Working level English.

This position will partner with Ecolab on an independent consulting basis

Our Commitment to Diversity and Inclusion

Ecolab is committed to fair and equal treatment of associates and applicants and furthering the principles of Equal Opportunity to Employment. Our goal is to fully utilize minority, female, and disabled individuals at all levels of the workforce. We will recruit, hire, promote,

transfer and provide opportunities for advancement based on individual qualifications and job performance. In all matters affecting employment, compensation, benefits, working conditions, and opportunities for advancement, Ecolab will not discriminate against any associate or applicant for employment because of race, religion, color, creed, national origin, citizenship status, sex, sexual orientation, gender identity and expressions, genetic information, marital status, age, or disability.
