Company: Centific

Location: Denmark

Category: business-and-financial-operations

OneForma is part of Centific, a global digital and technology services company. We bring together data, intelligence, and experiences to deliver human-centric solutions to complex business challenges.

OneForma and Centific are an equal opportunity employer and will not discriminate against any of our applicants on the grounds of race, gender, religion, or cultural background.

The Role

Role Description:

Evaluate the quality of queries made by internet users while navigating through different MAP applications

The entries to evaluate will be of varied nature, from user intent to authentication of data accuracy.

Help develop and optimize current and future map and geo-localization applications, to produce more accurate and intuitive maps in terms of location, search functions and more.

Ideal Profile

Requirements:

You are a native or fluent speaker of Danish language to be able to effectively liaise with stakeholders in the region.

You are currently based in Denmark, and you have been living here for at least 5 years!
Our evaluators must be familiar with the local businesses, points of interest, colloquialisms, etc.

You have access to a good internet connection and a computer.

You are available for at least 20 hours per week – Schedule is totally flexible: you decide when to work!

You are willing to take our entry certifications to ensure you qualify for this project.
