## Internet Evaluators (Danish Fluent Speakers)

[Apply Now](#)

Company: Centific

Location: Denmark

Category: business-and-financial-operations

Centific brings together data, intelligence and experiences to deliver human-centric solutions to complex business challenges. With over 20 years of Data and AI expertise, we've been helping brands thrive in a sustainable and meaningful way, working to create long-term value and loyal customers for our clients – now and in the future. Our services and solutions include Generative AI, Data Collection, Curation & Annotation, Localization, Digital Fraud & Safety, and Growth Marketing. With clarity of vision, technological expertise, and operational excellence, Centific is the partner of choice for those who want to run smarter - and those who want to change the race.

### The Role

Do you want to help Maps applications become more helpful for everyone? Join our team of Search Engine Evaluators today!

Centific is looking for long-term participants for our new project, **MILKY WAY!**

Your responsibilities will include:

As an evaluator you will work in a very international environment with members from all around the globe! You will have a steady and long-term income while working from the comfort of your homes!

develop and optimize current and future map and geo-localization applications, to produce more accurate and intuitive maps in terms of location, search functions and more.

During this **Search Engine Evaluation project** participants will evaluate the quality of **queries** made by internet users while navigating through **present applications**.

The entries to evaluate will be of varied nature, from user intent to authentication of data accuracy.

### **Important information:**

Join our **paid program** to enter the Milky Way project!

- This program is divided in KPIs to be completed every week, from study sessions to 1-2-1 with a dedicated Project Manager.
- **This is a paid orientation program**\*, provided you complete all steps successfully.

Don't worry, our Project Manager will be available every step of the way.

\*The program includes 1 week of orientation and 1 week of production at boosted rates.

Afterwards, you can keep on working at regular rates.

### **Ideal Profile**

You are a native or fluent speaker of **Danish** to effectively liaise the stakeholders of the region

You are fluent in English, as all Guidelines and certifications will be in English to effectively liaise the stakeholders of the region

You are currently based in **Denmark** and you have been living here for at least 5 years. Our evaluators must be familiar with the local businesses, points of interest, colloquialisms, etc.

You have access to a good internet connection and a computer.

You are available for at least 20 hours per week – Schedule is totally flexible: you decide when to work!

You are willing to take our entry certifications to ensure you qualify for this project.

## What's on Offer?

Opening within a company with a solid track record of success

Flexible working options

Join a market leader within IT Services
