Mölnlycke is now looking for a **Production Manager** Horsens Factory in Denmark. We are looking for a strong and inspiring leader who is willing to grow and succeed with our business, ready to contribute to the management team.

About the job:

The purpose of the position is an overall responsibility for the production with focus on people management while improving and develop the Production, always to ensure the best possible products for our customer, striving towards zero accidents, delivery on time and with correct quality and quantity.

Your key responsibilities are:

In this position you'll lead, motivate, and mentor a team of production lead operators and operators to ensure maximum productivity and efficiency. You'll foster a culture of safety, quality and continuous improvement among the production staff.

You'll develop and implement strategies to achieve production targets in alignment with company goals, analyze and follow up on daily basis and decide on actions ahead.

You'll be planning Raw Material Management, developing manning schedules and plans in

accordance with demand forecasts, projects, maintenance, and improvement tasks and also ensure daily raw material availability, including procuring, monitoring inventory levels, and coordinating with suppliers.

You'll also secure and coordinate transportation logistics for raw materials and finished goods, ensuring timely delivery to meet production schedules and customer delivery commitments.

You'll be responsible for manufacturing excellence and drive initiatives to enhance manufacturing processes, optimize resource utilization, and minimize waste including collaborated with cross-functional teams to resolve production issues and improve overall efficiency.

You'll ensure compliance with regulatory requirements, safety standards, and quality procedures in all production activities and maintain accurate production records, reports, and documentation as per company policies and regulatory guidelines.

What you'll need:

Bachelor's degree in Engineering, Manufacturing, or related field

Proven experience in a production management role within a manufacturing environment

Strong leadership skills with the ability to inspire and motivate teams towards achieving common objectives

Proficiency in analyzing production data and implementing performance improvement strategies

Excellent communication, interpersonal, and problem-solving skills

Familiarity with lean manufacturing principles and continuous improvement methodologies

What you'll get...

Competitive compensation package including company pension plan, bonus, company health care

Wellness benefits

Great colleagues in a global company

An open, friendly and fair working atmosphere

About Horsens Factory

Horsens site, also known M&J Airlaid Products A/S, is 100% owned by Swedish Mölnlycke

AB. We produce and develop absorbent Airlaid material, which is included in products used for advanced wound care products. Our high tech material is sold worldwide to companies within the medical industry. We employ around 20 individuals locally and together we are on a mission to free the patients for the burden of wounds.

About Mölnlycke

Mölnlycke is a world-leading medical products and solutions company that equips healthcare professionals to achieve the best patient, clinical and economic outcomes. Our business is organised in the four business areas Wound Care, Operating Room Solutions, Gloves and Antiseptics, where customer centricity, sustainability and digitalisation are at the heart of everything we do.

Mölnlycke employs around 8,700 people. The company headquarters are in Gothenburg, Sweden and we operate in more than 100 countries worldwide. Mölnlycke is a founding partner of GoCo Health Innovation City, a world-class innovation cluster for health, and in early 2025 our headquarters will move there. Since 2007, the company has been part of Investor AB, an engaged owner of high-quality, global companies which was founded by the Wallenberg family in 1916. Our approach to diversity and inclusion

At Mölnlycke diversity is not just a vision, but our strength. We are dedicated to fostering an inclusive workplace that values and celebrates the power of diversity. At the heart of our commitment is the belief that diversity fuels innovation, creativity and problem-solving. We invite you to be a part of a team where authenticity is embraced, and every employee, regardless of background or any other traits, experiences a true sense of belonging. Your attitude, drive, enthusiasm, and eagerness to learn are just as important to us as the requirements for the role.

If this sounds like you and you feel you have what it takes to succeed in this role, we want to hear from you as soon as possible.
