Company: VIKING Life-Saving Equipment A/S

Location: Denmark

Category: computer-and-mathematical

JOIN VIKING - and help build a safer world

Are you an experienced project manager with a passion for navigating diverse cultures and optimizing service delivery on a worldwide scale?

If this sounds attractive, then we are looking for **two Project Managers** to the Global Service Department.

At VIKING, we live by saving lives. We are proud to be a world leading supplier of safety products, solutions, and services to the global maritime industry. Safety is the core in everything we do and our mission to protect and save human lives.

Put your skills in action

The Global Service Department has the overall responsibility of servicing VIKING Marine and Offshore Evacuation systems, Rafts and PPE (Personal Protective Equipment).

Further, they support the education and training of our authorized service technicians as well as implementing continuous product improvements.

Based at the head office in Esbjerg, you will have reference to Sr. Manager MES, RAFT, PPE & MES Offshore who is located at VIKINGs office in Bergen, Norway.

As a Project Manager you will be part of a team of 9 colleagues and be involved in various projects and tasks - such as, establishing and executing projects involving relevant stakeholders within the MES, Raft and PPE service area.

In close cooperation with the team, you will drive the further development of VIKING's service abilities, including systems, processes and structures supporting this.

Examples of job tasks in the position, could be;

Developing project plans, including timelines, resource allocation and budgeting

Communicating with stakeholders across different regions to ensure alignment and buy-in

Identifying and mitigating risks associated with global projects

Ensuring the quality of deliverables meets or exceeds customer expectations, regardless of geographic location

Facilitate clear and effective communication among team members and stakeholders

Providing regular updates on project progress, milestones achieved, and any deviations from the plan, as well as maintaining comprehensive documentation for future reference

Identify opportunities for process optimization and implementing best practices to enhance project delivery efficiency and effectiveness

In this role, you will have the opportunity to collaborate with many stakeholders, gain insights into the business, and become a trusted partner. It's a great opportunity for someone who wants to be challenged, and to be involved in supporting the global service organization.

We will, of course, ensure that you receive thorough training to match the need in the position. Approximately 20 global travel days per year must be expected.

Do you have what it takes?

The ideal person has experience from a similar position. Your work style is structured with an analytical mindset to make sure decisions are based on data and facts, to the maximum extent possible.

Furthermore, we would like you to be;

Self-driven and independent approach

Good technical understanding

Strive to achieve results of a high quality

Customer oriented, problem solving and with a flexible attitude

Detail-oriented and able to multitask effectively in a global organization with many passionate stakeholders

Experienced in Power Bi, SAP S/4HANA, ServiceNow or other ERP systems is an advantage

You are a strong communicator and able to express yourself fluently in English and Danish.

VIKING offers

We offer an attractive position where you will have the opportunity to develop yourself in cooperation with colleagues who value job satisfaction and a great work environment.

VIKING is a global workplace, where the majority of our activities address the whole world. We have a strong culture and prioritize giving individuals the mandate to contribute and thrive.

We have a flexible approach to remote work, which can be agreed on an individual basis.

Your VIKING journey begins here

We are seeking to fill this position as soon as possible. Please submit your letter of motivation and CV - in Danish or English – using the “send application” button located at this page.

Applicants will be contacted continuously, and we will fill the position as soon as we have found the right person. Applications will be handled confidentially and in adherence with all data protection regulations.

If you have questions about the position or the company, please contact Senior Global HR Business Partner, People & Organization Jane Simonsen by phone +45 2542 8269.
