Company: IDEXX

Location: Denmark

Category: healthcare-practitioners-and-technical

As an IDEXX Radiologist, you will use your expertise to provide critical diagnostic information to our customers, enabling veterinarians and pet owners to make the most informed decisions for the care of their animals.

As an IDEXX Radiologist you will:

Work from almost anywhere in the world . As a global company, IDEXX offers employment contracts in 30+ countries and provides a wide range of local benefits.

Achieve your ideal **work/life balance** . You can expect a 30-hour work week and an optimized schedule as a full-time employee. You can also choose to work as a prorated part-time employee or as an independent consultant.

Be part of a **collaborative team** spanning five continents. From day one, you are assigned an experienced and knowledgeable mentor who will help guide and support you.

Give back to your college and your community . Our team regularly contributes to the radiology community by hosting resident CE events. IDEXX also provides employees up to 16 hours of paid volunteer time off per year to support their philanthropic pursuits outside of IDEXX.

Use our **innovative platform** to read and dictate reports. Your efficiency is enabled with features like automated hanging protocols and the ability to send a case to the support team with a click of a button.

Attend internal and external **Continuing Education** events. We encourage participation in conferences, and IDEXX will reimburse employees' eligible expenses.

Have a vested interest in our company. Radiologists who work 75 percent time or greater, receive an **annual stock award**.

24-hour specialist and IT support teams are available should you need them.

Telemedicine Support Veterinarians reduce the amount of phone calls and follow-up you do, so you can focus on helping more patients.

What You Need to Succeed

You are board-certified or residency-trained radiologist (DACVR, DECVDI, FANZCVS (Radiology)) with a passion for helping people and pets.

You demonstrate excellent written and verbal communication skills in English.

You have strong attention to detail and organizational skills.

You are analytical, can prioritize, and excel at problem-solving.

Talk with your friends who work with IDEXX Telemedicine Consultants worldwide or schedule an informational conversation by contacting: .

IDEXX Telemedicine can work for you. Whether you are looking for peer collaboration, contributions to the profession, educational outreach, additional income, flexibility, better work/life balance, or career development, we can provide the avenue to make it happen.
