### About Agreena

Agreena is an exciting, dynamic, and purpose-oriented organisation united in a mission to mobilise farmers and corporations to unlock the value of nature and help restore the planet. While we're rooted in agriculture, finance, and technology, our team of experts range from soil carbon scientists and software developers to market strategists and regulatory affairs experts. Over 230 employees across more than 40 nationalities are gathered under the common Agreena flag – either working from our headquarters in Copenhagen, offices in London, or remotely across Europe.

As a rapidly scaling climate agtech, Agreena provides solutions that drive both environmental and financial sustainability in farming. We have helped farmers across 18 countries in their conversion journey from conventional agriculture to regenerative farming practices to reduce greenhouse gas emissions and remove CO2 from the atmosphere, storing it in soil. Our company offers a supportive and positive work environment with opportunities for learning, leading and growth no matter where you are in your professional journey. We believe in giving our employees a lot of responsibility, and we encourage new thinking, innovation and fun.

### And this is where you come in:

We have an ambition of establishing a “best-in-class” finance function in Agreena, and in the

role as Senior General Ledger Accountant you are part of ensuring and optimizing efficient and trustworthy accounting policies and workflows.

In the role of Senior General Ledger Accountant, you will have a versatile and exciting work day, where you will have the opportunity to influence and make an impact on your own tasks in a new and dynamic team. ### **Who we're looking for:**

Relevant education background in finance (i.e. finansøkonom)

Minimum 5 years of experience within bookkeeping

Collaboration mindset

Detail oriented

Ability to provide recommendations for optimization identified during daily tasks.

Ability to communicate verbally and written in English.

Knowledge of Danish VAT rules

**Bonus points if you have:**

Prior experience with Microsoft Dynamics365F&O

Prior experience with payroll

**What's in it for you:**

A unique opportunity to join and help shape a fast-growing tech scale up with the determination and ambitious mission to reverse climate change

A truly global environment where you can collaborate and socialise with diverse and passionate colleagues

Competitive compensation package and holidays

Centrally located modern office in Copenhagen and the option to work from home a couple days a week

Team events throughout the year

An exciting purpose-led culture and mission

Open communication and supportive feedback culture
