Statistical Programmer

Apply Now

Company: PRA

Location: Denmark

Category: computer-and-mathematical

ICON plc is a world-leading healthcare intelligence and clinical research organization. We're proud to foster an inclusive environment driving innovation and excellence, and we welcome you to join us on our mission to shape the future of clinical development.

What you will be doing:

Responsible for planning, managing and execution of statistical programming deliverables in clinical trial and non-trial activities in the project

Responsible for providing input to authority required documents for the trial and non-trial activities

Responsible for ensuring that clinical trial and non-trial tasks are aligned with the project specifications

Responsible for continuous development of own skills and to contribute to the development of Biostatistics

You are:

+3 years of statistical programming, and preferably 1 year within the pharmaceutical industry or equivalent knowledge through relevant experience

Extensive experience with programming in e.g. SAS or R

Experience with reporting clinical trials, including statistical data handling, analysis and reporting

Experience with review and documentation of programs

Good knowledge of drug development

What ICON can offer you:

Our success depends on the quality of our people. That's why we've made it a priority to build a diverse culture that rewards high performance and nurtures talent.

In addition to your competitive salary, ICON offers a range of additional benefits. Our benefits are designed to be competitive within each country and are focused on well-being and work life balance opportunities for you and your family.

Our benefits examples include:
Various annual leave entitlements

A range of health insurance offerings to suit you and your family's needs

Competitive retirement planning offerings to maximise savings and plan with confidence for the years ahead

Global Employee Assistance Programme, TELUS Health, offering 24-hour access to a global network of over 80,000 independent specialised professionals who are there to support you and your family's well-being

Life assurance

Flexible country-specific optional benefits, including childcare vouchers, bike purchase schemes, discounted gym memberships, subsidised travel passes, health assessments, among others

Visit our careers website to read more about the benefits of working at ICON:
