**If you have the motivation to support the link between strategy and portfolio execution by working with business data, then come join us in Vestas in the Global Service Portfolio Management Office (PMO)!**

**Service > Portfolio Management > Global Service Strategy - Mgt, DK**

Situated in the Service business area in Vestas, the Global Service Portfolio Management Office (PMO) department supports a clear link between the Service strategy and the portfolio execution. The department is responsible for defining, initiating and implementing a balanced portfolio of projects that cater to the strategic priorities. In short, the department develop, guide, and govern the end-to-end Service portfolio of projects - from definition and communication to execution and benefit realization.

### **Responsibilities**

Drive the development and maintenance of PowerBI reports within Global Service PMO

Provide administrative support to the System & Tools department

Assist in ad-hoc and cross functional analyses within Global Service PMO

Support Service Finance in Benefit Tracking

### **Qualifications**

Currently enrolled in a relevant Bachelor's program with the intention to pursue education at the Master's level.

Knowledge in IT and a keen interest in working with data

Solid experience in the Microsoft Office package

Prior experience in PowerBI considered advantageous

Very good spoken and written English

### **Competencies**

Demonstrate eagerness to rapidly acquire new knowledge and enhance both professional and personal competencies with a proactive approach in acquiring responsibility

Strong communication skills with a genuine interest in engaging with colleagues across various functions, management levels, and global locations

Motivated by the prospect of working within a diverse and multicultural environment with multiple stakeholders

### **What we offer**

An excitement student worker position with great opportunity for professional and personal development in a dynamic and rapidly developing business environment. The opportunity to quickly assume responsibility alongside having a clear set of defined tasks.

### **Additional information**

Work location: Aarhus, Denmark

Position is temporary and part time (%)

Please note: We do amend or withdraw our jobs and reserve the right to do so at any time, including prior to the advertised closing date. Please be advised to apply on or before 9.4.

### **DEIB Statement**

At Vestas, we recognize the value of diversity, equity, and inclusion in driving innovation and success. We strongly encourage individuals from all backgrounds to apply, particularly those who may hesitate due to their identity or feel they do not meet every criterion. As our CEO states, Expertise and talent come in many forms, and a diverse workforce enhances our ability to think differently and solve the complex challenges of our industry. Your unique perspective is what will help us powering the solution for a sustainable, green energy future.
