

Teacher - Science

[Apply Now](#)

Company: WA College Of Agriculture - Denmark

Location: Denmark

Category: other-general

Independent Public School - Southwest Education Region WA College Of Agriculture - Denmark Teacher - Science 00004773 Teacher, \$78,397 - \$113,568 per annum (SEA GA 2021)

Advertised Vacancy Number: IPS/TCH855754

This is a permanent part-time (position commencing Term 1, 2024.

Western Australian College of Agriculture – Denmark (WACOA – Denmark) is seeking a Teacher - Science to join their high quality regional school.

Professional Benefits

Working for the Department of Education attracts a range of attractive benefits including:

11 percent employer contributions to superannuation

12 weeks' vacation leave (school holidays)

more than 20 days of other leave, including sick leave and carers' leave

subsidised accommodation where applicable

free relocation

About the role

The successful applicant will work within a very supportive team of teachers in a small

school environment with a variety of different aspects to the school, a working farm and a residential college with associated staff for both aspects. The successful applicant will possess strong teaching and classroom management skills and a proven capacity to foster a good working relationship with senior school students and work as an effective member of a small team of teachers. Applicants with experience teaching Australian Tertiary Admission Rank (ATAR), Agricultural Science, Plant Production Systems, Biology and/or Animal Production systems, will be highly regarded.

The successful applicants should have a sound understanding of the developmental needs of students of all phases of the West Australian Curriculum and will be experienced at differentiating the curriculum to meet the academic needs of the students. At WACOA – Denmark, we are committed to improving the numeracy and literacy skills of our students to support their achievement across the Year 10-12 curriculum and therefore provide a solid platform for success.

Our school

We are renowned for our outstanding Vocational Training and Education (VET) outcomes, as well as having an excellent reputation for our academic program with approximately one quarter of our students on an ATAR pathway. In addition to our academic program, all students at the College spend at least one day a week undertaking workplace learning on the College farm where, under the supervision of our Agricultural Training Officers, they work toward the completion of a Certificate II or III in Agriculture. By completing their education and workplace training on a farm, which strives to achieve industry best practice, our students are prepared for a smooth transition into the world of work.
